

A NOTE ON GENERALIZATION OF WEIGHTED ČEBYŠEV AND OSTROWSKI INEQUALITIES

A. AGLIĆ ALJINOVIĆ

Abstract. A recently obtained generalization of weighted Montgomery identity is considered and used to obtain the new weighted generalizations of the Čebyšev and Ostrowski inequality.

Mathematics subject classification (2000): 26D15, 26D20, 26D99.

Keywords and phrases: Montgomery identity, Čebyšev inequality, Ostrowski inequality.
