

SOME GEOMETRIC INEQUALITIES OF RADON — MITRINOVIĆ

D. M. BĂȚINEȚU-GIURGIU AND NECULAI STANCIU

Abstract. Some Mitrinović type inequalities for general convex polygons are presented. The main tool in the proofs is the Radon inequality.

Mathematics subject classification (2010): 26D15, 26D05, 51M16.

Keywords and phrases: Mitrinović type inequality, Radon's inequality, convex polygon, convex polyhedron.
