

MINKOWSKI AND BECKENBACH—DRESHER INEQUALITIES AND FUNCTIONALS ON TIME SCALES

RABIA BIBI, MARTIN BOHNER, JOSIP PEČARIĆ AND SANJA VAROŠANEC

Abstract. We obtain integral forms of the Minkowski inequality and Beckenbach–Dresher inequality on time scales. Also, we investigate a converse of Minkowski’s inequality and several functionals arising from the Minkowski inequality and the Beckenbach–Dresher inequality.

Mathematics subject classification (2010): 26D15, 34N05, 28A25.

Keywords and phrases: Integration, time scale, Minkowski inequality, Beckenbach–Dresher inequality, subadditive, superadditive, Minkowski functional, Beckenbach–Dresher functional.
