

SYMMETRIZED CONVEXITY AND HERMITE–HADAMARD TYPE INEQUALITIES

S. S. DRAGOMIR

Abstract. In this paper we extend the Hermite-Hadamard inequality to the class of symmetrized convex functions. The corresponding version for h -convex functions is also investigated. Some examples of interest are provided as well.

Mathematics subject classification (2010): 26D15, 25D10.

Keywords and phrases: Convex functions, Hermite-Hadamard inequality, integral inequalities, h -convex functions.
