

TIME SCALE VERSIONS OF THE OSTROWSKI–GRÜSS TYPE INEQUALITY WITH A PARAMETER FUNCTION

EZE R. NWAEZE

Abstract. In this paper, we obtain two Ostrowski–Grüss type inequalities on time scales for bounded differentiable mappings with a parameter function. Our result generalizes some known results in this direction, for example, a result due to Ngô and Liu [11]. In addition, we consider the special cases where the time scale is chosen to be the set of real numbers and the set of integers.

Mathematics subject classification (2010): 26D15, 54C30, 26D10.

Keywords and phrases: Grüss inequality, Ostrowski’s inequality, Montgomery identity, time scales.
