

**A NOTE ON THE PAPER "SINGULAR INTEGRAL OPERATORS  
IN GENERALIZED MORREY SPACES ON CURVES IN THE  
COMPLEX PLANE", MEDITERR. J. MATH. (2017) 14: 203.  
DOI.ORG/10.1007/S00009-017-1004-9, BY E. BURTSEVA**

VAGIF S. GULIYEV AND YOSHIHIRO SAWANO\*

*Abstract.* We show that the results of the paper mentioned in the title are known or follow from the known results.

*Mathematics subject classification (2020):* 46E15, 45E05.

*Keywords and phrases:* Singular operators, function spaces, integral equations, Morrey spaces, weights.
