

IMPROVEMENTS OF SOME BOUNDS ON ENTROPY MEASURES IN INFORMATION THEORY

M. MATIĆ, C. E. M. PEARCE AND J. PEČARIĆ

Abstract. Recently Dragomir and Goh have produced some interesting new bounds on entropy measures in information theory. We strengthen their results.

Mathematics subject classification (1991): 94A17, 26D15.

Key words and phrases: Inequalities, bounds, entropy, information.
