

## REGULARITY FOR SOLUTIONS OF NONLINEAR RETARDED FUNCTIONAL DIFFERENTIAL EQUATIONS

JIN-MUN JEONG AND SANG-JIN SON

*Abstract.* This paper deals with the existence and uniqueness of solutions for the nonlinear functional differential equations with time delay. The regularity and a variation of constant formula for solutions of the given equations are also studied.

*Mathematics subject classification (2010):* 35F25, 35K55.

*Keywords and phrases:* Nonlinear differential equation, monotone operator, existence, regularity.
