

ON REFINEMENTS OF CAUCHY'S INEQUALITY AND HÖLDER'S INEQUALITY

G. HORVÁTH

Abstract. The aim of this paper is to give refinements of Hölder's inequality by a sharpening of Cauchy's inequality.

Mathematics subject classification (2010): 26D15, 46E30.

Keywords and phrases: Cauchy's inequality, Hölder's inequality, refinement.
