NORMS OF SUMMABILITY AND HAUSDORFF MEAN
MATRICES ON DIFFERENCE SEQUENCE SPACES

HADI ROOPAEI

Abstract. In this paper, we compute the norms of summability and Hausdorff mean matrices on difference sequence space bv_p. Moreover, as an application, we derive the main result of [5].

Mathematics subject classification (2010): 26D15, 40C05, 40G05, 47B37.
Keywords and phrases: Matrix operator, norm, Hausdorff matrix, difference sequence space.
