ON A STEVIĆ–SHARMA TYPE OPERATOR FROM WEIGHTED–TYPE SPACES INTO BLOCH–TYPE SPACES

QINGHUA HU, LIAN HU AND SONGXIAO LI*

Abstract. The boundedness, compactness and essential norm of a Stević-Sharma type operator from weighted-type spaces into Bloch-type spaces are investigated in this paper.

Keywords and phrases: Stević-Sharma type operator, weighted-type space, Bloch-type space, boundedness, compactness, essential norm.
