ON JOINT SPECTRUM OF INFINITE DIRECT SUMS

SHUILIN JIN, QINGHUA JIANG, YADONG WANG AND GUANGREN DUAN

Abstract. For families of uniformly bounded $n$-tuples $T_k = (T_{1k}, \cdots, T_{nk}), k = 1, 2, \cdots$ of commuting operators on $\mathcal{H}$, the joint spectrum of $\bigoplus_{k=1}^{\infty} T_k$ is considered.

Keywords and phrases: Joint spectrum, joint point spectrum.
