

REMARKS ON THE PAPER “JENSEN’S INEQUALITY AND NEW ENTROPY BOUNDS” OF S. SIMIĆ

J. PEČARIĆ AND J. PERIĆ

Abstract. The purpose of this paper is twofold. The first is to give a brief account of the results preceding the main results from [14] and [15]. The second is to give generalizations and improvements of these results.

Mathematics subject classification (2010): 26D15.

Keywords and phrases: Jensen inequality, Jensen difference, linear functionals.
