

SIMPLIFIED PROOF OF TANAHASHI'S RESULT ON THE BEST POSSIBILITY OF GENERALIZED FURUTA INEQUALITY

TAKEAKI YAMAZAKI

Abstract. We give a simplified proof of Tanahashi's result on the best possibility of generalized Furuta inequality by using Tanahashi's result on the best possibility of Furuta inequality.

Mathematics subject classification (1991): 47A63.

Key words and phrases: positive operator, Furuta inequality, generalized Furuta inequality.
