

## AN INTERPOLATION FORMULA IN RELATION TO A POLYNOMIAL INEQUALITY OF SCHUR

RICHARD FOURNIER

*Abstract.* We study a recent interpolation formula for algebraic polynomials due to Dryanov, Fournier and Ruscheweyh and its links to a polynomial inequality of Schur.

*Mathematics subject classification (2010):* 30C10, 41A17, 42A05.

*Keywords and phrases:* Polynomials, inequalities of Bernstein, Markov and Schur, interpolation formula.
