

A CONDITIONAL EXPECTATION TYPE OPERATOR ON L^p SPACES

M. R. JABBARZADEH

Abstract. In this paper we discuss some of the basic operator-theoretic characterizations for conditional expectation type operator $T = EM_u$ on L^p spaces.

Mathematics subject classification (2010): 47B20, 46B38.

Keywords and phrases: Conditional expectation, multiplication operators, compact operators, operator matrices, polar decomposition.
